Commissioners Hear Requests For More Radios wic Program Helps Children

The Coffee County Commission met in regular session on Monday, March 28, at the Courthouse in Elba. They voted approval of a plan to change the commission's meeting dates. It was originally proposed that the meetings be changed o the first and third Tuesdays of each month; however, the proposal was dropped due to a possible problem in paying county bills. Mr. Ed Johnson, a former Clerk of Commissioner's Court who is currently serving in an advisory capa-city, told the board he felt it would be making a mistake to change the meetings to the first and third Tuesdays of each

Johnson then suggested holding the meetings on the second and fourth Tuesdays. After a lengthy discussion, the commission decided to hold the meetings on the second and and to start the meetings at 8:00 a.m. The board also voted to hold the first meeting each month in Elba, and the second in Enterprise.

The state legislature must approve the change before it fect, and until it does so, the

\$20,605.74 and Ed Sherling
Ford sent a bid of \$29,084.33.
The commission voted unanimously to accept the low bid received from Cook Chevrolet

Maddox addresses Commission

meetings will continue to be held as in the past.

The commission's first order of business Monday morning was to open bids on vehicles to be used by the County Highway Department. The first bids opened were on three (3) trucks (a flatbed and two dump trucks). Dowling Truck & Trailer offered a bid of \$22,602, Cook Chevrolet bid \$20,605.74 and Ed Sherling \$20,605.74 and Ed Sherling \$100 the board the radio had proven its worth, and also requested the commission buy a similar radio for Mr. Danny as similar radio for Mr. Danny a similar radio

nimously to accept the low bid received from Cook Chevrolet of Elba.

The second bids were on a car to be used by engineer Leslie Mullins. Bids received were: Cook Chevrolet - \$4492.75 with trade-in and Ed Sherling Ford - \$5232.56, not including trade-in.

The commission again voted uannimously to accept the bid from Cook Chevrolet.

Mr. Rufus Bradley was back before the commission again, and wanted to know of the progress in getting the right-of-way on the Goodman Road. Mr. Bradley presented Judge Sawyer with a list of names of people who want the road promised to act on his request to be reimbursed for the radio at their next regular in the irregularity of the coronaris job prevented it from being considered as a straight before the commission again, and wanted to know of the progress in getting the right-of-way on the Goodman Road. Mr. Bradley presented Judge Sawyer with a list of names of people who want the road promised to act on his request to be reimbursed for the radio at their next regular in the irregularity of the coronaris job prevented it from being considered as a straight salary type post.

McIlwain told Beckham that raising the fee wold help, and all the commissioners voiced as a fersion to know of the progress in getting the right-of-way on the Goodman Road. Mr. Bradley presented Judge Sawyer with a list of names of people who want the road promised to act on his request to be reimbursed for the commissioners told Bradley was back before the commission again, and wanted to know of the progress in getting the right-of-way on the Goodman Road. Mr. Bradley presented Judge Sawyer with a list of names of people who want the road promised to act on his request to be reimbursed for the commission again, and wanted to know of the progress in getting the right-of-way on the Goodman Road. Mr. Bradley presented Judge Sawyer with a list of names of people who want the road promised to act on his request to be reimbursed for the radio at their next regular in the commission again, and wanted to know of the

Mr. Marvin McIlwain, coroner, from the Elba division of Coffee County, addressed the commission and requested he be reimbursed in the amount of \$410 for a 2-way radio he purchased which was vitally needed in his job. McIlwain met with the board and in
Note: The Coroner's only form time to get something done. Judge Sawyer asked Bradley (and a rather large delegation) to leave the problem to the commission, and suggested that the delegation might be going about the problem in the wrong way.

and congratulations are in order to both Mrs. Gayle White and Mr. Flournoy Whitman. Gayle impresses me as having a lot Hayes Funeral Home directing. of smarts to go with her good looks and while I have yet to see a man I thought was pretty, Flournoy has many years of demonstarting his abilities and willingness to work for his friends three brothers: William Ellenand neighbors. Both deserve the honor.

Last week I commented that the public outrory about saccharin would force the government to reconsider. A day or so later I read where an expert had different opinions. A food specialist from Auburn reported that regardless of what happened, the public would continue to be afraid of the artificial sweetener unless it was under another name. Oh well, I have been wrong with my opinions before.

The tragic plane crash in the Canary Islands will be charged to human error - apparently on the part of both pilots. It will be called the worst accident in aviation history, yet it happend on the ground. The "experts" continue to say that flying is the is the son of Mr. and Mrs. Gerotha Kelley, Nell Lawford, on the ground. The "experts" continue to say that flying is the best way to get from one place to another and the safest. Of course the flying is OK, nobody will disagree with that, but a New Brockton. number of people will compare that to a story about the country boy drafted into the army and trying to get out of airborne

ly, Ricky Mularz

The recent rainy weather has slowed down local sports activities, but I'm looking for them to make a speedy recovery as soon as we get a couple of days of sunshine.

Spring football training at Elba High School has only one week left, and I'll have to admit that I still haven't seen a f times and I get the feeling he wishes spring training would last at least another month. Wood is pleased with his team's progress, but seems a little wary of just how much the squad has actually learned. The rain has chased the Tigers indoors a couple of times. and the beginning of baseball practice has caused Wood to end grid drills a week early. Coach Wood is hoping the players will dedicate themselves during the off-season and ontinue their learning process,
The Tigers will hold their Black and Gold game next Friday afternoon, and I guess I'll just wait and see 'em in action

Congressman Advises More Soybean Acreage

MRS. RAINER'S 4-H Mrs. Rainer's fifth grade this year have a prime pro-4-H club met on March 8, fit opportunity. The prospect of near record-low carry-Our president, Lulu Powell over stocks next September opened the meeeing. Vice- means that bean prices should president Cathynette Carpenter led us in the pledge to the American and 4-H flags.

The president Cathynette Carpenter remain strong well into 1978." said Mathis. As Chairman of the House Agriculture Sub-

Then we went outside to committee on Oilseeds and tour a helicopter from Fort Rice, he should be in a When we finished Mrs. Whitman took up our record on March 10, Congressman books and told us about the Mathis noted that soybean 4-H Public speaking contest. futures prices went over \$8 Powell won a trophy for her first time since November poster and that it has been 1974. "These facts should sent to the state contest. Then encourage farmers to commit we adjourned and Blue Morrow more acreage to soybeans in and Joseph Creel led us in a 1977," he said. "Although REPORTER

In the language of flowers a

position to know. Interviewed on Capitol Hill It was announced that Lulu a bushel this month for the each farmer must decide for himself how much to plant, I'm concerned that we grow enough beans this year," Mathis declared, "for two key reasons. First, there's a worldwide shortage of soybeans and meal, and our foreign customers are becoming aggressive in trying to cover their high-protein needs. If the U.S. doesn't produce adequate beans to supply this narket, it will only make our customers turn to the Brazil ians for soybeans and meal, and they may not come

Second, if there aren't enough

dent abhorred the idea of ex-port controls. "But we don't and the best guarantee against export controls is adequate out production," the congessional leader said. The Subcommittee on Oilseeds and Rice has primary responsibility for legislation affecting the soybean crop. Its chairman was instrumental last year in the influence Con-

Rep. Dawson Mathis of beans at home, it might tempt the Administration to support from international loans supporting foreign palm Mathis, a longtime Georgia colleague of President Carter, the President this year to block further U.S. subsidized loans by the World Bank for palm oil production, which is displacing our soy-bean oil in export markets," Mathis added. The Georgia Representa tive, whose own district pro duced 9.6 million bushels of soybeans in the record-crop year 1975, has been a proven champion of farmers' inter ests. Just 29 years old when first elected to Congress Mathis preceded this year's wave of fresh young Southerners going to Washington by a full six years. As with the latest, new Southerners in the nation's capital, Congressman Mathis is bringing new energy

values - including the value of soybeans. "The future of the soybean crop is immense," Mathis office. "Farmers who plan beans are contributing to the market strength of a source of protein which is becoming the world. And 1977 is a year of special opportunity for so bean farmers to help their country's export economy as gress brought to bear on the Treasury and Agriculture Desizing beans."

plants in direct sun right away -- those strong rays can sunburn tender leaves. Also listen carefully to weather reports so And any diet that promises instant weight loss is also a poor risk. Quick weight losses can upset bodily functions and have uppleasant side effects tank mix for peanuts.

This season send Florida beggarweed packing. Packing right out of your peanut fields. With a brand new tank mix that really does the job.

It's Amiben/Premerge 3. Now registered for use in the state of Alabama, on Alabama-grown peanut crops. Tests show it's the first really effective solution to the spreading beggarweed problem.

And what a solution. Amiben controls germinating weeds and grasses while Premerge 3, a contact herbicide, quickly burns seedling weeds that have already germinated and are just emerging. It's a "one-two" punch that knocks down beggarweeds. And keeps them down.

In one grower trial, Amiben/Premerge 3 gave 98% control compared to 60% with another tank mix.

Amiben/Premerge 3 is easy to use. Apply at "cracking time" when your oldest peanut plants reach the two-leaf stage. Or when the first weeds become visible. Check label for correct rates and complete mixing instructions.

This season, don't let Florida beggarweed get the best of your peanuts. Get the best of them with new Amiben/Premerge 3 tank mix. See your dealer and order your supply today. Order early and be sure to get enough to protect your entire allotment.

Amiben is a trademark of Amchem Products, Inc., for chloramben weedkillers. *Premerge 3 is a trademark of Dow Chemical Co.

Amiben helps nail beggarweed.
